Andrew,
Please send them to me as an email. I will need to get back to you about a call as I am figuring out my schedule.

Michael:

Good morning.

Upon review of the Draft Feasibility Study, the Trust has assembled a short list of preliminary questions. Pending response from EPA, I'd like to setup a call and/or meeting to discuss in greater detail.

Would you like us to convey the initial questions via email or perhaps a call with EPA and CH2MHill?

Please advise.

Thank you,

Andrew W. Steinberg
